## To bless a family in need

### Families benefited from:

Housing with rental assistance

A network of "neighboring volunteers" from a Christian faith community

Professional support focused on budgeting, career planning, and life skills

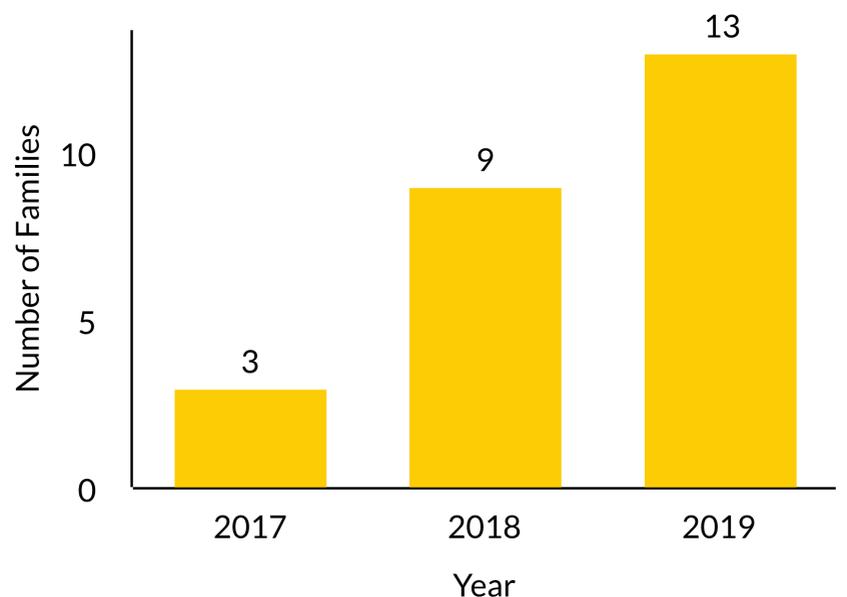

# 81%

Of all revenue directly benefited families served

Bridge of Hope is an 18-24 month program. We invest heavily in each family and offer a hand up so that they never face homelessness again.

### Families Served

Families Served

Thanks to your support, more families have homes and the resources to become self-sufficient.
