-Bridge of Hope Neighboring Volunteer

Bridge of Hope is ending homelessness for single mothers and their children in the Greater Denver Area by:

- Helping families obtain safe and long-term housing,
- Providing professional case management focused on building life skills, career development, and budgeting, and
- Partnering each family with a team of volunteers from a Christian faith community who provide support, encouragement, and friendship.

Over a one-to-two year period, this combination of resources empowers families to become self-sufficient so that they never face homelessness again.
